

GET **BRANDED GEAR** FOR YOUR MANUFACTURING BUSINESS

Promote your brand, thank customers and encourage employees with **high-quality products** boasting your hardworking manufacturing business's logo.

Protective Equipment

Safety and protective gear is essential for any manufacturing business, so why not invest in items that promote your brand while keeping workers safe? **High-visibility products** like **safety vests and jackets** will help prevent accidents, while **protective styles** like **hard hats, gloves** and **safety goggles** reduce the risk of injury while on the job.

Functional Headwear

Think beyond hard hats when it comes to **headwear** for your **manufacturing company**. Employees and customers alike will appreciate being given **hats decorated with your logo** that are both **fashionable** and **functional**, such as classic **baseball caps** or warm **beanies**.

Durable Apparel

Clothing that represents your manufacturing business needs to be **built tough**. We'll help you find **durable styles** made with **premium construction** that will hold up wear after wear, even after long shifts and repeated washings. You can proudly put your logo on **long-sleeve tees, jackets, vests** and more and give them out for **customer appreciation** or **employee recognition**.

Made in the USA

Promote your proud **American-made manufacturing** with **branded products also made in the USA**. No matter what type of branded gear you're looking for, we've got you covered with **high-quality options** proudly made in the red, white and blue, from apparel to protective equipment and beyond.
