

CHOOSE YOUR LEVEL

Today's "prosumer" decoration equipment is a step above entry-level options, but lacks some of the functionality and efficiency of higher-end industrial machines. Which one is right for you? Compare these embroidery machines from Tajima and DTG printers from Anajet (asi/16000).

The Prosumer Machine Tajima SAI

Compact, entry-level embroidery machine ideal for startups and home use

EMBROIDERY

1	Heads	1
